**The Importance of State Oral Health Programs**  
Steven J. Steed, DDS, Utah State Dental Director and President, Association of State and Territorial Dental Directors  
  
**Strategic Approaches for Improving Children’s Oral Health and Access to Care**  
James J. Crall, DDS, ScD, Professor and Chair of Pediatric Dentistry, UCLA School of Dentistry, and Director, HRSA/MCHB National Oral Health Policy Center
- 12:00 **Lunch** (provided)

### Dr. Kathleen Roth

Dr. Roth practices general dentistry in West Bend, Wisconsin, and is president of the American Dental Association. She has served on the ADA Board of Trustees, the Council on Membership and Communications, and as a liaison to the ADA Council on Dental Education and Licensure and the Council on Scientific Affairs. Dr. Roth also served on an ADA task force on education for dental hygienists. In March 2007, she testified before Congress on improving dental access to assure a healthy future for children. Dr. Roth is a graduate of the Marquette University School of Dentistry.

### Congressman Mike Simpson

Congressman Simpson is serving his fifth term in the House of Representatives for Idaho’s second Congressional District. He serves on the House Appropriations Committee. His subcommittee assignments directly reflect Idaho’s diverse economy and concerns: Energy and Water Development; Labor, Health and Human Services and Education. In addition to serving on the Appropriations Committee, Congressman Simpson serves on the House Budget Committee. Mike is a graduate of the Washington University School of Dental Medicine.

- 1:15 **Panel: Perspectives on Oral Health and Access to Care**

### Public Health Perspectives

#### Idaho State and District Oral Health Programs

Elke Shaw-Tulloch, Chief, Bureau of Community and Environmental Health, Idaho Department of Health and Welfare

#### Idaho Head Start Programs

Carolyn Kiefer, Director, Idaho Head Start Collaboration Project

#### Idaho Smiles Dental Program

NaDene Palmer, Executive Director, Idaho Smiles

### Provider Perspectives

**Idaho State Dental Association** – Tim Thompson, DDS, President

**American Academy of Pediatrics, Idaho Chapter** – (Invited; speaker TBD)

**Idaho Dental Hygienists’ Association** – Sally Kane, RDH, BS, President-Elect

**Idaho Primary Care Association** – Denise Chuckovich, Executive Director

- 3:00 **Break**

- 3:15 **Facilitated Group Discussions: Strengthening Idaho Infrastructure and Capacity to Promote Early Prevention and Access to Oral Health Care**

(Summit participants will have an opportunity to share their perspectives on the key issues, present strategies and solutions that work, and discuss what they would like to see happen to improve oral health and access to care in Idaho.)

**Group 1:** Access to Care

**Group 2:** Policy and Funding

**Group 3:** Prevention and Education

- 4:45 **Next Steps and Commitment to Action** – Dr. Watt

- 5:00 **Adjourn**

We invite you to participate in this milestone event to improve access to dental care for Idaho children and families. Our goal is to create a shared vision for action among public and private stakeholders. The Summit will provide a forum for discussing key oral health issues, solutions and resources, and will foster communication and collaboration among health professionals, organizations and entities with a vested interest in health.

Summit invitees include dental and medical health care professionals, policy makers and legislators, state and local government entities, public health and social service providers, educators and academia, business and community leaders, insurance providers, organizations with an interest in health issues, family advocates and the public.

### Continuing Education Credits

Certificates of Attendance documenting eight contact hours will be provided at the close of the Summit by the Idaho State Dental Association, an ADA CERP Recognized Provider. Other CE applications are pending.
